MUSIC offers our students the chance to experience the pleasure of self-expression at a new level. It is beauty within itself and offers the performer new realms of self-satisfaction. The mental stimulation of wonder and imagination is a highly intellectual activity and brings about a unique personal joy that can only be felt through personal accomplishment. It stretches one's understanding, and this growth can be transferred to every facet of learning. -Band Director

The Lodi High School Music Program is over 80 students strong and growing; they not only commit to long hours of rehearsals and performances but continue to achieve high academics throughout High School. During the year students participate in multiple programs such as Symphonic Band, Marching Band, Winter Percussion, Jazz Ensemble, Color Guard/Winter Guard, String Orchestra, Concert Band, and Drum Major Competitions.

Sponsorship Opportunities

www.lodihighmusic.org

Lodi High School Music Program is funded by fundraisers of the Lodi High Band Boosters and by Sponsors just like you. Without our Band Boosters, and Sponsors like you the Music Program would not be possible as our school district contributions are dependent on annual budgets. On average it can cost up to 50K dollars per year to support our students. By becoming a Sponsor, you will help provide support for needed replacement uniforms, instruments, show-props, event participation fees, travel and other band-related expenses.

Our Sponsorship program has five levels of participation, Bronze, Silver, Gold, Platinum, and Diamond. All levels are based on contribution amounts beginning from August thru May each school year. Some of the exposure a sponsor could expect is as follows:

- **Band Trailer**—Lodi High Honor Band trailer is highly visible in our community. We frequently use this to transport our equipment throughout the school year. By placing your business logo on our Lodi High Honor Band trailer, your business logo will be seen by thousands as a supporter of Lodi High School Band.
- **Performance Program**—Lodi Music Program produces event programs for our annual Crab Feed event that is considered a keepsake. These programs can identify corporate sponsors and thus provide excellent visibility to our greater community.
- **Band Website**—The Lodi H.S. Music Website is a vital source for anyone who wishes to know more about Lodi High Music Programs. You would have your business logo listed as one of our very important sponsors.
- **Shirts**—Our director, band students, and most parents purchase an annual music program shirts & sweat shirts to wear at events throughout the year. Sponsors in the Silver category and above are listed on these shirts obtaining significant community exposure.
- **Banner**--The Lodi High School Music Program sponsors and participates in many different types of venues throughout the year including school sporting events, school activities, daily practices, community parades, various fundraising events and much more. These events draw large crowds, thus providing significant additional exposure for you, our Corporate Sponsor.

Each level of sponsorship offers additional amenities. Which one is best for you?
