3	Band Update Bernadette	NCB released a new Guidelines for the virtual competitions they even posted some sample videos with meeting with the big group together because I don't see that for seen in the hat like in the future and that way. Sing ups will come soon. For the Light Extravaganza Susan suggested masks and bell covers, still waiting to hear what district states are requirements if any. I there a max for our group, we reserved 50x10 foot area. The event requires 3 hours of playing for two nights but also includes jazz band. Should we have protocols to take temperature>? All involved need to sign a waiver to participate. What decorations do we want for it?	We will wait to hear more guidance on gathering in groups from the school district . We discussed ways to cover instruments as schools still plan to heavily restrict the arts due to aerosols in instrument playing. Discussed looking into bell caps and other implements to play safely.
