3	Band Update Bernadette	<p>We have about 20 students participating in the Light Extravaganza with 2 – 4 guard members putting together a routine. They will be playing Sleigh Ride and chamber ensembles with duets and trios as well. We will need to bring a pa type system. We will be under the overhang between the main pavilion and the other three pavilions so we don't need to bring a tent. Renee got 20 light necklaces, we can bring hot cocoa and some cookies.</p> <p>Renee asked Bernadette if we can bring the letters, Bernadette said there's a lot of decorations we can bring from the school.</p>	<p>Renee and Susan volunteered to help setup decorations Thursday and Friday. The student gov teacher offered to share decorations for us to use. Students have to have temperatures taken, sign a waiver. Renee will see about getting waiver form early in case parents have to sign. Bernadette has a nine-foot blow up Christmas dragon we can use too. Students need to be on site b 4:45pm. Lupe and Suzi will chaperone Friday with Meghan and John on Saturday. Renee and Bernadette will help take down setup on Sunday. Susan will find containers for hot cocoa, will bring it both nights and cookies for Friday, Meghan will bring cookies for Saturday.</p>
